

Your Gateway to Global Indian Trade

Whether you're sourcing bulk Ayurvedic powders, handcrafted home goods, or industrial components —our platform is built to give you the tools, trust, and support needed to buy directly from India's best exporters.

Find Products & Suppliers Effortlessly

- Use the smart search bar or explore collections like Spices, Herbal Extracts, Textiles, and Tools
 - Filter by Verified Exporter status, Minimum Order Quantity (MOQ), Shipping Method, and Region
 - Product pages display dimensions, HS Code, origin, and packaging details
-

Custom Quote Requests (RFQ)

- Share your quantity, quality, and packaging specs with sellers
 - Get competitive quotes directly from manufacturers and trading companies
 - Available even for first-time buyers with low MOQs
-

Buy from Verified Exporters

All sellers on our platform are screened using export licenses, business registrations, and GST credentials. Sellers marked as “Verified Exporter” meet high transparency and fulfillment benchmarks.

Global Shipping, Simplified

- Choose from air freight (FedEx, DHL) or sea freight based on volume
 - Use built-in CBM calculator to plan container shipments
 - Transparent estimates for shipping timelines and costs shown at checkout
-

Trade with Confidence

- Communicate directly through secure messaging
 - Request sample images, pro forma invoices, and certifications before finalizing
 - Our buyer support team is available to assist with any trade concerns
-

Import Assistance

- Ask sellers for necessary documents: CoA, Packing List, Invoice, HS Code, etc.
- Guidance available for understanding duties and destination-specific compliance
- Download our import readiness checklist

First Time Buying? Start Here:

- Explore “Small Order” products to test quality before scaling
- Use RFQ to request variations (custom labeling, bulk packing)
- Confirm availability, timelines, and Incoterms before placing a large order
